YOUR ROLE in the AUSTRIAN TEAM

The Manager, Launch & Portfolio manages all product launches in Austria, supports portfolio decisions and works directly with cross-functional internal teams through all stages of product commercialization to help tackle highly complex launch and portfolio challenges across a variety of therapeutic categories.

YOUR RESPONSIBILITIES

- Planning and execution of all new product launches in Austria
- Monitor project scope and critical paths, Identify potential bottlenecks to secure the launches as scheduled
- Identify key insights, recommendations, opportunities, and threats to commercialization success
- Responsible for tracking and ensuring compliance with production timelines, delivery dates, delivery quantities and forecasts relevant to product launches
- Main contact for external partners (suppliers) and headquarter colleagues in terms of product launch
- Identification of potential gaps or other opportunities to strengthen and/or expand the current product portfolio
- Business case creation to evaluate products for STADA Austria
- Improvement and optimization of existing processes in the Launch & Portfolio area

RELEVANT FOR THE ROLE

- The will and the power to make things happen
- Experience in
 - project or launch management in the Austrian pharmaceutical industry
 - business case creation process
- Excellent communication skills in German and English

So here you are! Decide what to do next...
